

REMARKS

Claims 8, 10-12, 19, 21, 23, 24 and 26-28 are amended. Claims 6, 7, 9 and 25 are cancelled. Claims 1-5, 8, 10-24 and 26-28 remain in the application.

Claims 1-5, 13-18 and 22 are allowed.

The examiner indicated that claims 8, 10-12 and 19-21 would be allowable if amended to independent form including all of the elements of the base claim and intervening claims. Applicants comply with this suggestion by providing the amendments herein.

Claims 23 and 24 are amended herein to depend from claim 2. While the examiner indicated that claims 23 and 24 could be amended to depend from claim 22 to overcome his rejection, claim 2 is the more appropriate claim and provides the necessary antecedent basis.

Claim 26 is amended herein to replace the word "body" with --cap member--since there is proper antecedent basis in the claim for --cap member--.

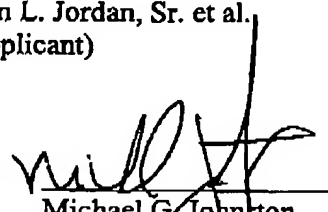

Claims 27 and 28 are amended herein to depend from claims 26 and 27, respectively, at the request of the examiner.

Applicants believe the foregoing amendments place the application in condition for allowance. Entry of the amendments and allowance of the application at an early date is respectfully requested.

Respectfully submitted,

John L. Jordan, Sr. et al.
